

Andrea Gentile - CV

Andrea Gentile (born in 1997) received his Bachelor's and Master's degrees in Chemistry from Sapienza University of Rome in 2020 and 2023. He then spent five months at the Institut Charles Gerhardt Montpellier (France) on an Erasmus traineeship. Since November 2023, he has been enrolled in a joint PhD program between Sapienza University of Rome and the University of Montpellier. His research focuses on lithium-metal-based post-lithium-ion batteries, exploring new systems and characterization techniques to enhance their performance.
